Developing access capability to SAVE system		
Introduce equipment into system to capture digital images of identity source documents so that images can be retained in electronic storage in a transferable format	THIS IS PART OF OUR NGMV (RE-ENGINEERING) PROGRAM.	
Retain paper copies of source documents for a minimum of 7 years or images of source documents presented for a minimum of 10 years	Addressed in our NGMV project (will be imaged)	
Subject each person applying for a driver’s license or identification card to mandatory facial image capture	We do currently.	
Establish an effective procedure to confirm or verify a renewing applicant’s information	La. Has a photo retrieve system which is utilized in identification at renewal period, duplicates, etc.	
In the event that a social security account number is already registered to or associated with another person to which any state has issued a DL/ID card, the state shall resolve the discrepancy and take appropriate action	We do currently	
Check other states if a person already was issued a DL in another state	MCSIA, effective 09/30/2005	

<b>REAL ID ACT REQUIREMENT</b>	<b>IMPACT</b>	<b>ASSUMPTIONS</b>
Ensure physical security of locations where DL/ID cards are produced	We do currently.	
Subject all person's authorized to manufacture or produce DL/ID cards to appropriate security clearance requirements	We do currently.	
Establish fraudulent document recognition training programs for appropriate employees engaged in the issuance of DL/ID cards	We do currently	
Limit period of validity of DL/ID cards that are not temporary to a period not exceeding 8 years	Louisiana issues for 4 years and 2 years. NGMV will enable variations to dates less than 4 years.
