Jurisdiction Impact Analysis Real ID Act

REAL ID ACT REQUIREMENT	IMPACT	ASSUMPTIONS
Introduce Full Legal Name into Driver Licensing System (in Record, on Document)	We will need a statue change and software changes to meet this requirement. We currently require only middle initial.	
Have following data elements/features on the document: 172.Full Legal Name 173.Person’s Date of Birth 174.Person’s Gender 175.Person’s DL or ID Card Number 176.Digital Photograph of Person (and retention) 177.Person’s Address of Principle Residence 178.Person’s Signature 179.Physical Security Features to prevent tampering, counterfeiting or duplication 180.Common Machine Readable Technology:	We will need statue changes and software changes to add the full legal name and gender requirements to our license documents. We are in compliance with all of the other required fields.	
Introduce temporary DL/ID cards and tying end of stay to expiration of DL/ID card (or issuance for no more than 1 year)	We do not have statutory authority to issue this type of temporary license. Statutory change required.	
Amending card design to show/indicate that it is a temporary document with a “different than usual” expiration date	<i>As above we will need the legal authority to create and issue this type of license document.</i>	

REAL ID ACT REQUIREMENT	IMPACT	ASSUMPTIONS
<p>Verification at Source: Enabling your system to electronically verify documentation with:</p> <ol style="list-style-type: none"> 1. SSOLV 2. SAVE 3. DEERS (DOD) 4. Other jurisdiction (DL/ID card) 5. Birth certificate 6. Other...i.e. third party vendors 	<p>We meet the requirements of #1 and #6. We are in the process of issuing a contract for Document Authentication Equipment to be installed in license issuing locations.</p>	<p>We are assuming that there will be a grant process to assist us in funding the verification systems that are required to be in compliance with #2,3,4,and 5,</p>
<p>Developing access capability to SAVE system</p>	<p>We will need to develop our training process and sign an MOU with SAVE. This will also require software changes to our system.</p>	<p>We assume that there will be grant money available to fund this requirement.</p>
<p>Introduce equipment into system to capture digital images of identity source documents so that images can be retained in electronic storage in a transferable format</p>	<p>We are exploring the cost of implementing document digital imaging equipment to satisfy this requirement. This equipment is very expensive! This requirement will have a large impact on our Agency.</p>	<p>We assume that there will be grant money available to fund this requirement.</p>
<p>Retain paper copies of source documents for a minimum of 7 years or images of source documents presented for a minimum of 10 years</p>	<p>We are in compliance with the paper documents and see the above response on the image requirement.</p>	
<p>Subject each person applying for a driver's license or identification card to mandatory facial image capture</p>	<p>We are in compliance.</p>	
<p>Establish an effective procedure to confirm or verify a</p>	<p>Depending on definitions used for "verifying" and "renew", impact could be monumental if required to</p>	<p>We assume that there will be large grants available to fund the systems and networks required to perform these</p>

renewing applicant's information	"call back" entire license population.	functions.
In the event that a social security account number is already registered to or associated with another person to which any state has issued a DL/ID card, the state shall resolve the discrepancy and take appropriate action	We perform this resolution today	
Check other states if a person already was issued a DL in another state	Depending on process defined, system and process implications could be major.	We assume that a national network and system will be in place to do this electronically and grants will be available to fund our requirements.
Ensure physical security of locations where DL/ID cards are produced	We are in compliance	
Subject all person's authorized to manufacture or produce DL/ID cards to appropriate security clearance requirements	We are in compliance	
Establish fraudulent document recognition training programs for appropriate employees engaged in the issuance of DL/ID cards	We are introducing Document Authentication equipment and are exploring training programs.	We assume there will be grant money available to assist us.
Limit period of validity of DL/ID cards that are not temporary to a period not exceeding 8 years	We are in compliance.	
Alternative document design if it does not meet federal standard	We are in compliance.	We assume if the license card design is changed that grant money will be available to fund the changes and implementation of a new license document.
Legal Presence Requirement	We are not in compliance. We will need a statute change.	
Provide electronic access to all other states to information contained in the motor vehicle database of the state	We are in compliance.	
Maintain a state motor vehicle database that contains at a minimum:	We are in compliance.
